Good Afternoon All!

Attached is tomorrow's agenda with a short presentation. Our goal is to have each community speak to their wastewater needs and then have a discussion of regional alternatives with regulatory comment on all things including environmental, permitting and any other topics that you want to talk about.

We have maps and other information to supplement the discussion.

Looking forward to seeing you tomorrow!

Again, Scituate Public Safety Building, 800 Chief Justice Cushing Highway, Scituate.
